3 Year Warranty

www.ecospringspools.co.nz

Proudly Kiwi owned
& operated

Tried tested & proven performance

The Allchlor E Series combines robust, reliable design and user-friendly controls with a sleek modern look to provide unparalleled water care technology.

Utilising reverse polarity technology, the Allchlor E Series is the ideal, affordable, self-cleaning pool chlorinator suitable for most swimming pools.

EcoSprings products are manufactured to the highest possible standard using the most current technologies, so you can enjoy the benefits year after year.
