Proudly Kiwi owned  
& operated

# Tried tested & proven performance

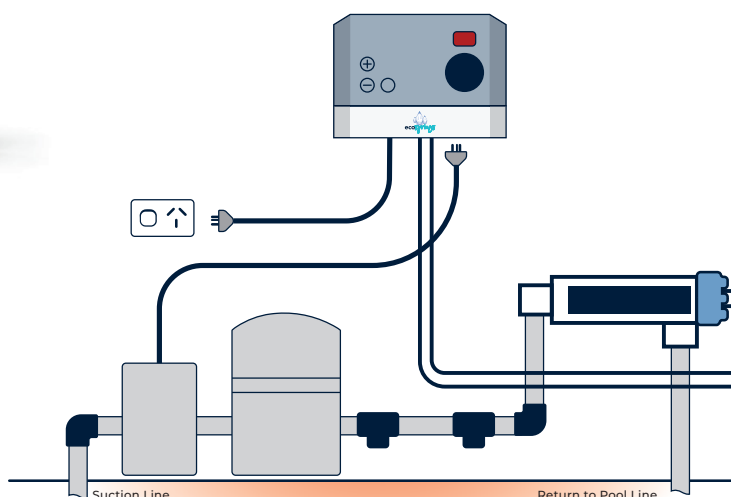

The EcoSprings Swimline Salt Chlorinator is a high performance salt chlorination system that lets you enjoy healthy, clear pool water. It is a safe, clean, easy alternative to dosing your pool with dangerous, expensive, and messy chlorine granules, tablets, or liquid. The EcoSprings Swimline Salt Chlorinator uses harmless salt to improve your water quality, and makes your pool maintenance an absolute breeze.

*EcoSprings products are manufactured to the highest possible standard using the most current technologies, so you can enjoy the benefits year after year.*

## Features

- ✓ Smart micro-computer controlled system.
- ✓ Precision adjustment of chlorine output.
- ✓ Low and high salt indicators.
